## Open Heaven Christian Church Nondenominational Online Seminary

Nondenominational seminaries aren't affiliated with any denomination. They may still operate within the theological convictions of a particular faith tradition but not in any official capacity. Join us today for free, and we will equip and train you for the work of the ministry for free!

Our online Seminary School is designed to prepare students for ministry.

Students usually take a combination of theological courses, e.g., Old Testament, New Testament, theology, and biblical studies on practical ministry courses, e.g., preaching, pastoral care, Christian counseling, and Apostolic missions as part of their ministry works. We train and equip believers in Christ Jesus to fulfil their ministry call whether you are called to be an Apostle, Prophet, Evangelist, Pastor, or Teacher. – Romans 8:30  
“Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.”

All courses we offer are 100% FREE, all we ask is that you have a desire to learn the word of the Lord and the willingness to serve in the body of Jesus Christ!
